

## School Advisory Council Annual Reports

### Summary

2020-21

Public Health Guidelines related to the COVID pandemic, required School Advisory Councils (SAC) to meet remotely via Zoom or Google Meets to support the school and their work during the 2020-21 school year. Principals reported that the support of the SAC in navigating the *Back to School Plan* and COVID restrictions was very much appreciated. Each SAC found ways to continue to support student success whether students were in school or learning remotely.

Through the SAC Annual Report, SACs provided details of their work primarily in two key areas - 1. *work undertaken to improve student achievement* and 2. *school performance and expenditures supporting the school improvement plan*. Examples of each are included below.

Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

- Informed about the school's learning focus on:
  - ✓ Black Lives Matter
  - ✓ Inclusive Education
  - ✓ Treaty Education
  - ✓ Multi-Tiered System of Support (MTSS)
  
- Regular review of data, goals for Student Success Planning (SSP)
- Review of school-based assessments and report card data
