

Dear Families...

March 21 is World Down Syndrome Day! Students in Nova Scotia will be enjoying March Break on this day, so we thought we would help spread the news by celebrating early...on Friday, March 13...our last day before March Break!!

How can you help? By wearing LOTS OF SOCKS!

But not just any socks... wear brightly coloured socks, long socks, printed socks, 1 sock... even 3 socks for 3 chromosomes. If you do not normally wear socks, wear them!

Wear your coolest socks to Tallahassee Community School on **March 13th**...

...then wear them again at home, day care, college, university, work, play, travel, on holiday...wherever you will be on 21 March!

Our Learning Centre teachers will be visiting classrooms to help others learn about Down Syndrome through stories, videos and activities.

Please help us celebrate all our uniquely wonderful children by wearing #LotsOfSocks!
